General Specifications

Table Top: Table tops are 1- 1/4" thick, three-ply particleboard core with .050" high pressure laminate top surface and .030" phenolic backer. Edge type is 3mm PVC (C) or 1-3/4" thick maple butcher block top. Solid phenolic top is also available. Contact factory for details.

Frame Assembly: Each frame end is fully welded 1-1/2" 16-gauge square powder coated steel tubing. The bottom of each leg is fitted with heavy-duty locking casters. Frame ends are bolted to a welded 1-1/2" 16-gauge square powder coated rectangular frame brace. EDO model features an open frame with a single rectangular frame brace. EDS model features an open frame with rectangular frame brace and 1/8" angle steel support rails for base shelves. Base shelves are 1" thick engineered wood core with high-pressure laminate or melamine faces and PVC edges. One base shelf is located on each side.

Single-Face 3-Drawer Storage Option: A 3-drawer storage component is available for EDO and EDS model tables. Only one storage component may be added to each face of the table. Full 4-sided drawer boxes use 3/4" thick material with high-pressure laminate or melamine finish and PVC edges. Each drawer features a full extension slide and a nickel finish loop pull.

Single-Face Drawer and Cupboard Storage Option: A single-drawer and cupboard storage component is available for EDS models only. Only one storage component may be added to each face of the table. There is a height appropriate cabinet for each table height.

Cabinet: is constructed with 3/4" thick engineered wood side panels, sub tops and base shelf. High pressure laminate or melamine box finish is applied to all faces.

Full 4-Sided Drawer Box: uses 3/4" thick material with high pressure laminate or melamine finish and PVC edges. The drawer features a full extension slide and a nickel finish loop pull.

Shelves: are 1" thick engineered wood with high-pressure laminate or melamine faces and PVC edgebanding. Shelves are adjustable on 32mm increments.

Cupboards: Cupboard doors are 3/4" engineered wood core with high-pressure laminate or melamine faces with PVC edges. Doors are hung with concealed hinges and feature nickel finish loop pulls. Cupboards are NON-locking.
