## POCKET CAFÉ COUNTER

Note: Pocket Café Counter is not designed to mate with Duo Lounge or Duo Café Counter settees.

- 90° Curved Settee with café-height or bar-height counter integrated into back panel.
- Base and back panel available in high pressure laminate or premium oak or maple veneer finishes. HPL bases will receive PVC edges and veneer bases will receive wood edges.
- 1" thick back panel is self edged.
- Counter is 1" thick engineered wood with high pressure laminate work surface and 3mm PVC edges.
- Seat cushion is 3" thick dense upholstery foam. Upholstery foam seat back tapers from 4" at the base to 3" thick at the top.
- Vinyl and Fabric upholstery available. Can use a combination of both.
- Powder coated 5/16 plate steel legs fitted with 1-7/8" black nylon leveling glides.
- Available as mobile seating units with casters.

#### General Specifications

**Upholstered Seat and Back:** Seat cushions are 3" high-density upholstery grade foam. Back cushions are high-density upholstery grade foam and are tapered from 4" at the base to 3" at the top. Vinyl and fabric available. Can use a combination of both. Upholstered seat and back cushions are fastened to bench base and bench back with hook and loop fasteners.

**Bench Base and Bench Back Assembly:** The bench base assembly is fabricated from 3/4" engineered wood with premium grade oak or maple veneer faces or HPL faces. Finished edges of veneer assemblies receive a 3mm solid wood edge. Finished edges of HPL assemblies receive a 3mm PVC edge. Bench Base Assembly is bolted to bench back assembly with metal-to-metal connection. Back panel is fabricated from multiple layers of wobble board plywood, phenolic backer and laminate sheets. Back panel can be finished in veneer or HPL face and is self-edged.

### To Order, Choose Finish Selections & Options

**Base and Back Panel:** Choose from our selection of high pressure laminate or Oak or Maple veneers in many standard finish options. Sprayon Finishes available for veneer. Choose edgebanding for base (Back panel is self-edged).

**Counter Top:** Choose from our selection of high pressure laminates and PVC edgebands.

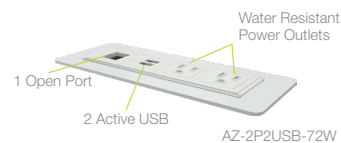

**Legs:** Choose from our selection of powder coats or casters.

**Seat Cushion:** Select fabric pattern and grade for seat and back cushion.

#### POWER CONNECTIVITY

- 2 power/ 2 active USB
- 72" long cord
- Black or white finish

**Counter:** Counter top is 1" thick engineered wood with .050" high pressure laminate work surface and .030" phenolic backer. Edge is 3mm PVC. Counter is mounted to back through (3) 1" thick veneer ply shelf supports.

**Leg Assemblies:** Legs are fabricated from 5/16 plate steel and include a curved profile with a square mounting plate. The bottom of each leg is fitted with a threaded weld nut and a 1-7/8" black leveling glide.

**Casters:** Locking swivel casters are mounted to the base with a square mounting plate. All models receive (5) 75mm casters. Casters are black.

Connectivity option is available on flat surfaces of the bench base.
