FULL TIME HALFBACK

- ... because who wouldn't want the luxury of an ottoman with a back?
- Mix and match square, rectangle and curve Full Time Halfback units with Full Time Ottomans and Full Time Ottables for a unique seating experience.
- Fully upholstered, tapered seat backs are connected to the seat via two internal posts. No panels on curved seat backs
- Fully upholstered 18"H seat sits upon 4 steel legs (powder coat of your choosing) with black adjustable leveling glides.
- Also available with 75mm casters or oak post legs.
- "Junior" 16" seat height models are available with 1" self-leveling glides
- Curve models have 24" returns to mate with square and rectangle models. Inside and outside curve (FTCBX) models available.
- See our Connect brochure for power and connectivity options.

To Order, Choose Finish Selections & Options

Upholstery: Choose fabric for seat and back cushion.

Steel Legs: Choose Powder Coat.

See **mediatechnologies'** Finish and Color Guide for choices at www.mediatechnologies.com.

Download the **Curved Seating Compatibility Guide** to learn which table and bookcase items work with curved Full Time Ottomans and Halfbacks at www.mediatechnologies.com.

General Specifications

Seat: Fully upholstered seat fabricated in square, rectangular and curve shapes. Seat base is 2" of high density foam on a 1" thick assembled wooden frame. Seat back is 5" of high density foam at its base and tapers to 3.5" of foam at the top. The seat back is built on a 1" thick interior rectangular wooden panel. Seat backs are joined to seats by two internal posts.

Models with Leg Assemblies: Powder coated steel post legs are fabricated from 5/16" plate steel and include a curved profile with a square mounting plate. The bottom of each leg is fitted with a threaded weld nut and 1-7/8" black leveling glide.

Wood legs are 3-1/3" x 3-1/2" hardwood with a 45 degree chamfer at the bottom edge. Wood post legs are attached 5/16"-18 bolt, washer and propeller nut.

Models with Casters: Casters are mounted to the base with a square mounting plate. All models receive (4) or (5) 75mm casters.

Juniors Models: Junior models receive black 1"H self-leveling glides.

Note: The square and rectangle Full Time Halfbacks represented on this sheet are the new internal post construction models. If you require the previous version of the square and/or rectangle Full Time Halfbacks (back and seat joined by a laminate back panel), please contact the factory.
